

Architectural Job Captain

AVRP Skyport is seeking an Architectural Job Captain with the skills and experience listed below.

Job Captain who works under minimal supervision to plan and develop portions of medium to large scope projects with experience with type I Construction Desired.

Duties and Responsibilities: Interpreting, organizing, executing, and coordinating assignments. Lead technical development of the project, translate design concepts into construction documents, coordinate consultant work effort, prepare zoning and code reviews, process permits with public agencies and assist with construction administration. Coordinate with consultants, engineers, and a small staff of technicians. May act in a team leader capacity in the absence of the manager. Must interact well with team members, clients and consultants.

Skills and Requirements:

Minimum of 10-12 years of related experience in **Residential Mixed Use and Commercial** projects.

Knowledge of building codes and experience with agency processing

Bachelor's degree in architecture from an accredited program plus 10–15 years of experience

Design sensibility combined with technical proficiency

AUTO CAD and Revit required

Excellent communication and collaboration skills

Ability to lead others

Positive attitude and desire for leadership

To apply: email your resume to resumes@avrpstudios.com, subject line: Architectural Job Captain.

AVRP Skyport is an Equal Opportunity Employer and we are dedicated to diversity. **No phone calls please.**

About AVRP Skyport

AVRP Skyport strives to find and develop an original idea that drives the creative process for each project. Principals Douglas H. Austin, FAIA; and Christopher T. Veum, AAIA, IIDA; Frank Wolden; Randy Robbins, AIA, LEED AP; represent award-winning portfolios that have inspired developers and civic leaders to think beyond traditional boundaries to infuse each project with experiential community connections. Celebrating 40 years of creativity and accomplishment in 2016, the firm and its principals have earned over 150 design awards. For more information, visit www.avrpstudios.com.
